

Dog Leash Regulation on the Deschutes National Forest

Dogs must be on leash and in physical control at all times within one eighth of a mile of all trails as shown on this map above. Includes the management areas known as Moraine Lake, Green Lakes, Todd Lake basin, and the Broken Top trail.

An exception to the rule is if your dog is swimming or cooling off in the water.

Thank you for your Cooperation as we work together to improve conditions and experience of Wilderness.
